DETAILED ACTION

1. Claims 1-9, 11 – 13 and 15 –21 are pending.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Applicant's amendment specifically discloses that in the second authentication unit the same first key information is used to repeatedly generate a new second key information. The prior art alone or in combination does not disclose this or other features, thus claims 1-9, 11 – 13 and 15 –21 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
